

Primary University Experience day

Thursday 28 April 2016 (9.30-2.00pm)

University of Leicester campus

Join us for an activity packed day that inspires children about university and gets them thinking about their future! Working in small groups with student Ambassadors, activities include:

- ◆ an interactive quiz to find out interesting facts and figures about university
- ◆ a campus tour to discover more about the surroundings and buildings
- ◆ a Dreamcatcher activity which gets them thinking about their skills, interests and achievements
- ◆ making their own colourful mortar board hat to take home
- ◆ a hands-on subject activity in one of the Departments
- ◆ certificates and prizes

INFORMATION: This event is **specifically for Children in Care in Year 5 and 6** and is **free** to attend. Pupils and staff need to bring a packed lunch and schools will need to make their own travel arrangements for staff/pupils. Final programme and arrival details will be sent to participating schools prior to the event. Please return the University consent form to your contact in the Leicestershire County Virtual School or Leicester City Virtual School as appropriate.

Any questions about the event? Please contact Lucy Croucher (Senior Widening Participation Officer)
